Dear Madam Secretary:

This letter and the attached amended report pages are in response to the Federal Election Commission's preliminary review of the December Quarterly Report (10/1/08- 12/31/08) of the Evan Bayh Committee. The letter requested that we correct our report to more completely disclose the identification and addresses of certain other political committees who made contributions during the period. We believe that this letter and the attached amended pages of the report address the commission's concerns.

Sincerely,

Dennis M. Charles, Treasurer
